

GAYLORD SPRINGS GOLF LINKS

Facility Overview

GAYLORD SPRINGS®
GOLF LINKS

Meetings:

Gaylord Springs Golf Links offers meeting space and catering activities second to none. The upper level of the Clubhouse offers three rooms that can accommodate up to 150 guests each or the whole facility can be combined for functions for up to 300 guests. Lower level meeting rooms provide a smaller setting for meetings and private meals. Our professional, on-site, catering staff can help you plan a special themed event, parties or the board of directors meeting.

GAYLORD SPRINGS GOLF LINKS

Facility Overview

GAYLORD SPRINGS®
GOLF LINKS

Club Type:

In a magnificent collaboration of nature and design, Gaylord Springs Golf Links captures the tradition and spirit of the game. As you follow the winding road that leads to the Club, you'll immediately be taken in by the grand splendor of the Clubhouse. As the centerpiece for the Club's activities, this 43,000 square foot, antebellum-style Clubhouse offers guests shopping, dining, meeting rooms and banquet rooms, all with beautiful views of the golf course.

Designed By:

Larry Nelson, a PGA and U.S. Open Champion

Course Details:

Named one of the Tennessee's Top Public Courses by *GolfWeek Magazine*, Gaylord Springs offers all the benefits of a resort with the availability and reasonable rates of a public course. A recent host course of the Tennessee State Open, Gaylord Springs boasts Mini Verde Bermuda grass greens, giving golfers the purest putting surface around.

Yardages/Ratings:

Men:

Black 7842 73.1/133
Gold 6516 71.6/128
Blue 6165 69.8/124
White 5759 68.3/118

Ladies:

White 5759 73.2/132
Red 5040 70.2/118

Perfect Setting:

With its panoramic view of beautiful fairways, the Gaylord Springs Golf Links creates a scenic backdrop for a picture perfect wedding. Our antebellum-style clubhouse can accommodate events from 10 people to 300, making it the ideal location for rehearsal dinners, wedding receptions, parties, showers and even the wedding ceremony itself. Whether your event is indoors or in our picturesque outdoor pavilion, your guests will marvel at the breathtaking surroundings.

Locker Rooms:

Available for men and women, includes showers and lockers.

Honors Grill:

Whether it is before or after a challenging day on the course, visit the Honors Grill serving up your favorite American classics. Dine inside in a friendly comfortable atmosphere or outside on the patio with breathtaking course views. Open daily.

Golf Institute:

The Golf Institute at Gaylord Springs is one of the leading golf facilities in the country. The Golf Institute offers year around golf instruction year around from one of our PGA professionals, professional club fitting and on site club repair all featuring the industries top technology including SwingLab, FlightScope Launch Monitoring System and the V-One Swing Analysis.

Hole-by-Hole Course Description

Hole #1 • Par 5

Championship Tees – 529 yards

Right from the get-go, the first hole provides the player with an eagle opportunity. The opening fairway is wide and generous, even though it plays into a prevailing southerly breeze. Be aware though of the Cumberland River on your left and out-of-bounds on your right. At 529 yards from the Championship tees, this par 5 is definitely reachable in two for the longer hitters.

Hole #2 • Par 4

Championship Tees – 441 yards

The par 4 second hole is the first of two long par 4's on the front and will play longer than the yardage indicates because of the breezes that come up from the Cumberland River. The player must negotiate a fairway bunker on right side at 220 yards off the tee while avoiding the trees and the river on the left. The second shot requires a high fade into the longest green on the front nine. Steep grass bunkers guard the green to those who don't correctly execute the approach. Par is a good score.

Hole #3 • Par 3

Championship Tees – 160 yards

Number 3 is the shortest par 3 on the course, but don't let that fool you. Players missing the green here have a difficult challenge of making par. The island green is surrounded by grass and sand bunkers. A player's aggressiveness to the pin will be determined by the daily pin placements.

Hole #4 • Par 4

Championship Tees – 392 yards

The 392 yard par is the signature hole at Gaylord Springs. The tee shot comes out of a narrow chute of trees to an angled fairway with a lake on your left. Driver isn't necessary to leave yourself a short iron to undulated green with water in front and to the right of the green. Just behind the green sits the century-old springhouse from which the course derives its name.

Hole #5 • Par 4

Championship Tees – 444 yards

The fifth is another long par 4 that demands precise play to score well. The most difficult hole at Gaylord Springs, the player must decide which route to take off the tee. A large lake bisects the hole creating a split fairway. Playing safe out to the right will leave you a mid to long iron into a green that slopes from back to front. Taking the gamble on hitting down the left fairway will leave you a short to mid iron shot into the green. Take your par and move on.

Hole #6 • Par 5

Championship Tees – 533 yards

Another birdie opportunity awaits at the par 5 sixth hole. This par 5, like the first hole is reachable in two, providing the pond on the right side of the fairway is successfully negotiated. The green is guarded on the right side by a huge greenside bunker and with mounds on the left. There's enough area in the front of the green to allow a player to take advantage of a good tee shot.

Hole-by-Hole Course Description

Hole #7 • Par 4 ***Championship Tees – 455 yards***

The par 4 seventh hole allows the player to absolutely go after his tee shot. A straightaway fairway is receptive to long tee balls, just be careful of high mounds right and a deep fairway bunker on the left. Depending on the tee shot, a mid iron will be needed to negotiate the approach into a well-bunkered green. Anything long will be trapped by the mounds in the back.

Hole #8 • Par 3 ***Championship Tees – 179 yards***

At the par 3 eighth hole, players will stand on the tee and look out at the most heavily-bunkered green on the front side. Tee placement may command a tee shot over the water on the left side of the hole. If the pin is on the back left portion of the green, be careful, this placement is not for the timid.

Hole #9 • Par 4 ***Championship Tees – 349 yards***

The elevated tee at the 349-yard ninth hole gives the golfer an excellent view of this relatively short par 4. The right side of the fairway is adorned with a 75-yard-long bunker awaiting stray tee shots. The left side is protected by trees with wetlands just beyond them. The green is well-guarded with sand bunkers on the left side and grass bunkers on the right. Here, a player could finish his front nine with another birdie.

Hole #10 • Par 5 ***Championship Tees – 505 yards***

The 10th is headed in the opposite direction from the par 5 first hole and generally plays downwind, making the 505 yard par 5 a possible eagle opportunity. The green is open in front, allowing a long fairway approach to run up. Players attempting to reach the par 5 in two will have to be careful of the bunker which guards the left side of the green.

Hole #11 • Par 4 ***Championship Tees – 451 yards***

The 451 yard, par 4 11th is the longest par 4 on the back nine. The fairway bunker on the left directs the tee shot to fade slightly to the right. A large pond comes into play on the approach from 155 yards out, as does a large greenside bunker on the left. The long, narrow green is receptive to long-iron approaches, making birdie possible. Par is a good score here.

Hole #12 • Par 5 ***Championship Tees – 524 yards***

The par 5 12th hole is the last of the par 5's on the course. The landing area is squeezed between a lake on the left and a fairway bunker on the right, making an accurate tee shot a must. The green is difficult to reach in two because the hole plays into the prevailing wind and the green is elevated. It is a good idea to leave your ball below the hole for an uphill putt.

Hole-by-Hole Course Description

Hole #13 • Par 3 ***Championship Tees – 184 yards***

As one of the more picturesque holes on the course, the par 3 13th plays into limestone bluffs that provide the background to the large but shallow green. A pond in front of the green and a bunker on the right side add more difficulty to this great hole.

Hole #14 • Par 4 ***Championship Tees – 335 yards***

The 14th is a short par 4 that makes an accurate tee shot absolutely necessary. The 335 yard dogleg right makes the player hit a high fade off the tee to set up a short iron into the elevated green. The long green is well-bunkered with both sand and grass, making two pinpoint shots a good birdie opportunity.

Hole #15 • Par 4 ***Championship Tees – 392 yards***

Another left-to-right tee shot is needed at the 392-yard par 4. Players have to be careful not to overwork their tee ball because of the large lake on the right side of the hole. The approach shot should also be left-to-right into a green which is fronted by a large bunker.

Hole #16 • Par 4 ***Championship Tees – 317 yards***

The 317 yard 16th hole is a roll of the dice for the longer hitters. An accurate tee shot could roll onto the front of the green, but you must be careful of all the bunkering around the green. The other option is laying up to the top shelf of the fairway about 100 yards out, having a short iron in.

Hole #17 • Par 3 ***Championship Tees – 210 yards***

The longest par 3 on the course, the 17th hole is not an easy par. Playing into the prevailing winds and with a huge bunker on the right side of the green, the long green with accept well-struck iron shots. Just make par and move on.

Hole #18 • Par 4 ***Championship Tees – 442 yards***

The 442 yard, par 4 18th is one of the best finishing holes in the state of Tennessee. The tee box is elevated and peers down to a fairway which has water all the way down the right side and is narrowed by a cluster of bunkers on the left. The second shot is a mid to long iron into an elevated green where distance and wind can be deceiving. The green is protected by bunkers on the right side and large drop-offs on the left.

GAYLORD SPRINGS GOLF LINKS

The Golf Institute

GAYLORD SPRINGS®
GOLF LINKS

The Golf Institute at Gaylord Springs is one of the leading technique and custom club fitting facilities in the country. Only a limited number of locations offer the golf technology available at Gaylord Springs.

Our facility is equipped with the finest diagnostic equipment, including:

- V-One System to analyze a golfer's swing
- Vector launch monitor to measure impact conditions
- DBS force platform to analyze weight distribution during a swing
- On-site Master Club fitter
- On-site club repair workshop
- Two indoor hitting bays for year-round fitting and instruction, regardless of weather conditions. Its unique design offers the ability to hit balls directly onto the driving range, allowing the golfer and the instructor to see actual ball flight.

Our highly qualified and trained staff members are the perfect complement to this state-of-the-art facility.

Private Instructions

Our highly qualified and trained staff members are the perfect compliment to the state of the art facility. Lessons are available by appointment only.

Club Fitting, Repair and Modification

Allow our On-Site Master Club Fitter to adjust your clubs to maximize your game.

Club Fitting

Brian Lackey

Lead Golf Instructor

Brian Lackey, a native of Chattanooga, Tennessee, began his golf career at the University of Tennessee at Chattanooga, where he played on the golf team and earned a BS degree in Sports Management, graduating in 1996.

Lackey began studying the golf swing in college and developed an unmatched passion for teaching the game of golf. Currently giving more than 1,800 lessons a year and having taught more than 19,000 lessons in his career with players ranging from the elite tour player to the beginner, Lackey has matured in his knowledge of the golf swing. He is also the co-developer of the Pendulum Putting Rod, which is currently used by more than 200 touring professionals. "I have been fortunate to work with some influential people through my short career and have enjoyed the opportunity to help others develop their game and each student reach their goal. It has always been a priority for me to surround myself with great people at great facilities."

Lackey has been teaching in the Middle Tennessee Chapter for more than seven years and has developed a demanding clientele. He was selected as the 2002 PGA Teacher of the Year in the Tri-Cities Chapter, 2008 PGA Middle Tennessee Teacher of the Year, 2008 PGA Tennessee Teacher of the Year and 2010 PGA Middle Tennessee Teacher of the Year. He is currently ranked seventh in Golf Digest's Top Best Teachers of the State.

Brad Stevens

Assistant Golf Instructor

Brad Stevens joined the Gaylord Springs team in 2014 bringing with him a wealth of knowledge and passion for the game of golf.

A Nashville native, Brad graduated from Franklin Road Academy where he was a two-time All-State Golfer. He received a golf scholarship to the University of Tennessee-Martin where he earned All-Conference and Academic All-Conference accolades.

Working as a golf professional since 2012, Stevens has been very involved in developing junior golf programs and events in Middle Tennessee as well as helping golfers of all ages improve their game through lessons and custom club fitting.

James Paschal

General Manager, Head Golf Professional

Paschal is a "Quarter Century" member of the Professional Golf Association of America, and his experiences as a Professional Golf Association (PGA) Tour golf professional took him around the world. He competed on the PGA Tour and Asian PGA Tours from 1979 to 1983 and then on the Champions Tour from 2000 to 2002. The list of career accomplishments for this Memphis, Tennessee native are astounding, spanning four decades, including being named as the National Collegiate Athletic Association (NCAA) All-American golf teams in 1970 and 1971, Outstanding College Athletes of America in 1970, Tennessee Section PGA Champion and TGA Tennessee State Open Champion in 1978 and 1979, Georgia PGA Player of the Year in 1988 and Tennessee PGA Player of the Year in both 2000 and 2001.

Paschal received his bachelor's degree in psychology from Rhodes College in Memphis and in 2005, was inducted into his alma mater's college sports hall of fame. He cites his father as the biggest influence in his life and credits Pat Abbott, the head professional at the Memphis Country Club, and Dr. Cary Middlecoff, PGA Tour Hall of Fame member, for teaching him an incredible amount about this game he loves.

Harry Taylor

Director of Operations, Head Golf Professional

At Gaylord Springs Golf Links, Harry brings his invaluable club design and fitting knowledge gained by working with his staff players such as Lee Trevino, Lanny Wadkins, Paul Azinger, Nick Faldo, Jeff Sluman, Bob Tway, Billy Andrade and Luke Donald.

A native of Old Hickory, Tennessee, Harry is heralded as one of the premier golf club designers in the world. An University of Tennessee alum, Harry played the PGA Tour for more than 10 years, and developed a reputation as a superb golf designer. Teaming with Taylor Made Golf Company founder Gary Adams, he became the "Taylor" of Taylor Made.

Ten years later, Harry teamed with Mr. Adams in starting Founders Club Golf Company and served as the Senior Vice President, Golf Club Design and Player Promotion. Since 1993, he has served as Vice President, Golf Product Design and Development/Player Promotions with Mizuno USA. Harry is a Class A Member of the PGA of America and a current member of Golf Digest Magazine's Equipment Panel and Technical Advisory Board.

Many legendary golf brands were developed under Harry's guidance including the Taylor Made Burner Series, the Founder's Club Product line, and the Mizuno T-ZOID, MP Series, MX Series and most recently, the MP 32 and MP 60 "Cutmuscle" designs for Mizuno, USA.
